GEMS BY MIMA

Building a distinctive digital presence through intentional content, storytelling & community.

CONTENT STRATEGY

Gems by mima

CONTENT OBJECTIVES

- Build Brand Awareness — Increase visibility and make Gems by Mima recognizable online.
- Showcase Products — Present the jewelry in a desirable, premium, and visually appealing way.
- Drive Engagement — Encourage conversations, saves, shares, comments, and interactions.
- Build Trust — Use authentic content, customer experiences, and product details to establish credibility.
- Attract the Right Audience — Reach women who appreciate stylish, elegant, and quality jewelry.
- Drive Sales — Turn content engagement into product inquiries, orders, and repeat customers.
- Build Community — Create a loyal audience that connects with the brand beyond simply purchasing jewelry.

The main Goal is to position Gems by Mima as a desirable, elegant, and trusted jewelry brand while using strategic content to grow visibility, build a loyal community, and ultimately drive sales.

Shop your favourite before it’s gone.

Gems by mima

CONTENT GOALS

Every piece of content should primarily do one of these things:

ATTRACT
Get new people interested in Gems by Mima.

INSPIRE
Show customers how jewelry can elevate their style and everyday looks.

CONNECT
Make the audience relate to the brand through lifestyle, confidence and self-expression.

BUILD TRUST
Show real customers, reviews, product details and genuine brand experiences.

CONVERT
Give people a reason and an easy way to discover and order their favourite pieces.

CONTENT DIRECTION

Gems by Mima content should feel elegant, feminine, stylish and authentic. The focus should remain on the jewelry while showing how each piece naturally fits into everyday style, special occasions and self-expression.

VISUAL DIRECTION

- Use clear, high-quality jewelry photography.
- Mix product-focused content with lifestyle and editorial visuals.
- Highlight jewelry details, textures and finishing.
- Keep layouts clean with plenty of breathing room.
- Maintain a consistent visual identity across all platforms.

CONTENT STYLE

- Keep videos natural, polished and engaging.
- Use short, clear and relatable messaging.
- Show jewelry being worn and styled in real-life situations.
- Create content around styling, occasions, gifting and personal expression.
- Balance promotional content with lifestyle, educational and engaging content.
