OLISS SCENT N STRANDS

Building a consistent content presence that showcases our products, connects with our audience and turns attention into orders.

CONTENT STRATEGY

OLISS SCENT N STRANDS

CONTENT OBJECTIVE

The content should:

- Showcase the hair extensions and fragrances
- Help customers understand the products
- Build trust through reviews and real customer experiences
- Create a strong lifestyle association around scent and style
- Encourage customers to order through WhatsApp

The main goal is to make Oliss recognizable, desirable, and easy to order from across Instagram and TikTok.

OLISS SCENT N STRANDS

CONTENT MIX

I WOULDN'T MAKE EVERY POST A SALES POST.
A GOOD BALANCE FOR OLISS WOULD BE:

40% — Product & Discovery
Hair and fragrance showcases, new products, product details.

20% — Lifestyle & Self-Expression
Fashion, beauty, confidence, occasions and relatable content.

25% — Education
Hair tips, fragrance tips, scent guides, styling information.

15% — Social Proof & Sales
Reviews, customer orders, restocks, promotions and direct CTAs.

CONTENT DIRECTION

Oliss content should feel clean, confident, stylish and authentic. The focus should remain on the products while showing how hair and fragrance fit naturally into everyday life.

VISUAL DIRECTION

- Use clear, high-quality product images.
- Mix product-focused content with lifestyle and editorial visuals.
- Keep layouts clean with plenty of breathing room.
- Use the approved Oliss colours and typography consistently.

CONTENT STYLE

- Keep videos natural and engaging.
- Use short, clear and relatable messaging.
- Show products in real-life situations where possible.
- Balance promotional content with educational and lifestyle content.

OVERALL FEEL

Clean • Confident • Stylish • Desirable • Authentic
